THE BEAUTY OF BESPOKE

FLOOD A ROOM WITH LIGHT AND IT WILL SHINE

Natural light is the holy grail which our design consultants look to house creatively, controlling the amount they let in by framing it with stunning window furnishings.

At Thomas Sanderson, we've been designing, crafting and installing bespoke window furnishings that make the most of the light since 1991. Quality, consideration and craftsmanship have been at the heart of everything we do ever since.

YOUR DESIGN JOURNEY

SERVICE BESPOKE TO YOU

1

GET IN TOUCH

From initial consultation through to installation, our personalised service ensures that everything runs smoothly and that you are delighted with the end result.

2

DESIGN CONSULTATION

Our experienced designer will spend the time to really understand your needs before guiding you through our collection. Using their knowledge and expertise to shape solutions bespoke to you and your home. Your design consultant can also talk you through the finance options available.

3

IT'S ALL IN THE DETAILS

Once you confirm you are happy with your design we will complete a technical survey to capture precise measurements to create technical drawings from which we will manufacture.

4

INDIVIDUALLY CRAFTED

Our skilled team will then set about custom-making your window furnishings or outdoor products of choice, using great care, attention and quality materials.

5

EXPERTLY INSTALLED

When it comes to installation day, our installers always work to the highest standard and will treat your home and garden with the utmost care.

6

YOUR GUARANTEE

As a testament to the quality and craftsmanship that goes into every custom-made piece we create, we offer a five year extended care plan on our shutters, blinds and awnings and a two year guarantee on our Roman blinds.

BEAUTY IN THE DETAIL

Our experienced craftsmen custom-make your unique shutters, blinds and awnings to your exact specification. The pride they take in their work along with their knowledge, expertise and rigorous attention to detail results in exceptional quality.

SILK DOLPHIN DUETTE® BLINDS

BESPOKE BLINDS SET THE MOOD IN EVERY ROOM

Master the light in your home with our extensive collection of luxury blinds featuring a range of styles, fabrics and colour combinations to complement every interior. Custom-made and expertly installed to suit any window style, our selection of powered and manual blinds offer a versatile solution to light control.

SMART ELECTRIC BLINDS

Let there be light at your command with our innovative blinds powered by smart home technology. Effortlessly change the position of your blinds at the touch of a button or simple voice command with your Amazon or Google home device, and schedule your blinds to adjust automatically to fit with your daily routine.

BI-FOLD DOOR SOLUTIONS

SILK CAMEO BLUE DUETTE® BLINDS

DUETTE® BLINDS

Duette® blinds are the market-leading energy saving blinds, providing the perfect combination of style and function. These specialist blinds feature a unique honeycomb structure that helps to reduce heat loss by up to 55%. They work just as well in the summer to keep rooms cool, as they do in winter to help lower energy costs.

Duette® blinds aren't only suited to bi-fold doors, they can be used on skylights, conservatory roofs and bay windows too. These specialist blinds can be made smart electric for complete control over light and privacy.

SOLARTEX CRUSH LILY
PLEATED BI-FOLD BLINDS

PLEATED BLINDS

Pleated blinds are neat and slimline, and versatile enough to be fitted in a variety of ways, including café style, bottom to top and as floating blinds. These versatile blinds can reduce glare and help maintain the rooms temperature.

MICRO HIVE AND MICRO PLEAT

Our collection of Micro Hive and Micro Pleat blinds are specially designed to fit bi-fold doors. Operated with an innovative tension system that requires no cords or wires, these specialist blinds ensure fluid movement and a beautiful finish from every angle.

ROOF SOLUTIONS

SKYLIGHT AND ROOF LANTERN BLINDS

Roof lanterns and skylight windows can be an amazing feature that brings natural light into any room. We're experts in creating solutions for unusual window features, our specialist Duette® or Pleated blinds are made to ensure an exact fit to your skylight or roof lantern.

Duette® blinds act as an insulating barrier, keeping rooms cool in the summer and warm in the winter. Perfect for large roof skylights to limit draughts.

Smart electric control makes out of reach windows easy, open with a simple click, tap or word with your Amazon or Google home device.

SILK DEEP BALSAM DUETTE® BLINDS

GABLE END BLINDS AND SHUTTERS

Our Duette® blinds and shutters can be made to fit even the most awkward shaped windows. Gable ends and large expanses of glass can let out lots of heat, our bespoke solutions not only reduce heat loss but filter the light too.

ROLLER BLINDS

Our smart electric Roller blinds are designed and custom-made to provide a stylish yet versatile solution to transform light in your home. Available in a vast array of finishes including moisture resistant, blackout, sheer and recycled options.

ROMAN BLINDS

We offer a wealth of quality fabrics including luxurious textures and contemporary designs in more than 180 colours. Our Roman blinds are available as smart electric, with the option to add a blackout lining and layer over Duette® blinds for added insulation.

THE ULTIMATE OUTDOOR ENTERTAINING SPACE

PERGOLA AWNINGS

Smart electric pergola awnings are the latest addition to the Thomas Sanderson outdoor range. This premium shading solution covers a much larger area than a traditional awning and is a more permanent structure, creating the feeling of an outdoor living space. Pergola awnings are wall mounted with fixed posts that provide more stability.

Pergola awnings are available in a choice of 45 retractable fabrics that are available with a smart hub for simple operation via an app or with voice control using Google Assist or Alexa. LED lighting and heating is also available as optional extras, which allow you to make the most of your outdoor space well into the evening.

LUXURY AWNINGS

Enhance how you utilise your outdoor space, as we've updated our range of smart electric awning fabrics for the spring summer 2024 season. The new range includes more neutrals and greys, and popular shades of blue and green.

Our high performance fabrics are coated with a protective finish to prevent colour fading, with innovative sensors, programmable timers and contemporary heating and lighting options to choose from, you can customise your awning to make it bespoke to you and your home.

BESPOKE GARAGE DOOR SOLUTIONS

The right garage door can elevate the look of your home, increasing your driveway efficiency and space whilst providing added security. We manufacture in the UK and our team of experienced installers will work to the highest standard, treating your home with the utmost care to ensure you are delighted with the end result.

During your consultation, ask your designer about our Sectional and Roller collections, and the various features to enhance them.
